## Directions

Cast on 2 sts

WS K

1. RS Kfb, K until the end  
WS K until the end  
Repeat these two rows until you count a total of 30 sts
2. RS K2tog, K until the end  
WS K until the end  
Repeat these two rows until you count a total of 25 sts

Continue alternating with these two patterns increasing each time by 10 and decreasing by 5, i.e. increase to 35 sts, decrease to 30, increase to 40, decrease to 35, increase to 50

Here you start the inverse process, i.e. decrease according to pattern 2 until you count 40 sts, increase according to pattern 1 until you count 45, decrease to 35, increase to 40, decrease to 30, increase to 35, decrease to 25, increase to 30

The size can individually be adapted and you can use any type of yarn.
